1	My Castle by Holly Log	I'm so make a wish core pilled rn. MY only hope is this graphic. I learned my lesson about pasting. ALWAYS WITHOU FORMATTING unless ur into that? Minecraft soundtrack is so nice.	The anxiety you get after u just got done taking benzos for a little while is ok, bc u know that's what it is. I can learn to like it at  really. It's kind of "scary," GABA and so on. But it feels kind of ok to tremble. I can't feel a thing rn after doing so much speed the past two days. Made good art tho for once! Big awesome! I feel like im concerning my friends lol			Norwooding and malding Sigh. Can I really claim to be a woman in STEM. i just foun d out from a friend in a type of bitch.
